

# DC-Net Concertation Seminar Tallinn, 13-14 January 2011

---

## Objective of the meeting

The overall objective of the DC-NET concertation seminar is to identify and to document common approaches and mechanisms whereby multinational projects and memory institutions with digital cultural heritage collections can gain access to individual NRENs as well as to the resources managed by coordination initiatives such as GEANT and Grid platforms.

## Participants

e-Infrastructure representatives will participate and will seek to establish common policies, programmes and rules which apply to e-Infrastructures across Europe.

Invited NREN/Grid participants: Latvia, Lithuania, Finland, RENATER, GARR, COMETA, INFN, EENET, BELNET, HUNGARNET, SUNET, GRNET, ARNES, DANTE, EGI.eu

## Venue

Tallinn

The seminar will be held at the Three Sisters Hotel (<http://www.threesistershotel.com>), Pikk 71/Tolli 2, in the Old Town of Tallinn.

## Timing

Start at lunch-time of Day 1 and finish after lunch on Day 2

ON Friday afternoon, the DC-NET project meeting will continue

## Programme

### **Day I: 13.01.2011**

12.00-13.30 Registration and snack lunch

13.30-13.45 Welcome

13.45-15.00 Session I: Introduction
-------------------------------------

Purpose of the session: to introduce the e-infrastructure evolution, the DC-Net project and its aims, and the general issues of memory institutions accessing NREN and other e-infrastructure services.

Chair: Anton Pärn, Ministry of Culture, Estonia

Proposed speakers:

Rossella Caffo, Director Istituto Centrale per il Catalogo Unico DC-NET Project Coordinator – Political background and strategic vision

Leif Laaksonen, eIRG – the Blue Paper

Antonella Fresa, DC-NET Technical Coordination – the DC-Net project

Q&A

15.00-15.30 Coffee break

15.30-18.00 Session II: e-Infrastructures and their services

Purpose of the session: To introduce typical e-infrastructure services, and to present the view from their side on the types of services memory institutions are looking for.

Chair: Enzo Valente, GARR (Italy)

Proposed speakers:

Mihkel Kraav, EENet, Estonia – e-infrastructure services in Estonia

Dany Vandromme - RENATER, France – NREN services in France

Tryfon Chiotis, GRNET, Greece – e-infrastructure services in Greece

Roberto Barbera - Consorzio COMETA, Italy - the Sicilian Grid e-Infrastructure

Eva Stensköld - Swedish Research Council, Sweden - How eInfrastructures are financed

Tiziana Ferrari, EGI.eu – EGI pan-European Distributed Computing Infrastructure

Discussion

18.00 Close of the day

Dinner and a social event

**Day II: 14.01.2011**

9.00-9.30 Morning coffee

9.30-11.00 Session III: memory institutions and their requirements for research e-infrastructure

Purpose of the session: to introduce the types of services memory institutions require from NRENs.

Chair: Christophe Dessaux, MCC (France)

Proposed speakers:

Rossella Caffo, Italian Ministry of Culture – the National library service (SBN)

Edina Sörény, Hungarian Ministry of Culture

Börje Justrell, National Archives of Sweden

Gordon McKenna, Collections Trust, UK

11.00-11.30 Coffee break

11.30-13.00 Session IV: round table discussion

Purpose of the session: To bring the needs of memory institutions together with the opportunities of e-infrastructures and to discuss the shared interests within the framework of the memorandum of understanding.

Chair: Raivo Ruusalepp, Ministry of Culture, Estonia

Introduction:

Rosette Vanderbroucke, the DC-NET Memorandum of understanding

Discussion: how to bring the requirements of memory institutions and possibilities of NRENs together, all participants

13.00-13.30 Conclusions and closing of the meeting

13.30 Lunch

*In the afternoon, the DC-NET project meeting continues (only for DC-NET partners)*
